

Nationale zéro
LA PREMIÈRE TRANSEUROPEENNE
Tendance floue

Pascal Aimar, Thierry Ardouin, Denis Bourges, Gilles Coulon, Olivier Culmann, Mat Jacob, Caty Jan, Philippe Lopparelli, Meyer, Patrick Tourneboeuf

The Trend Floue (10 photographers) has decided to photograph the Europe following a route through the twenty-five countries of the Union of 2004, trans. National zero. The road ahead does appear on any map. It begins in Cyprus and ends in Gibraltar. Today this route is 23 000 km. National zero is not a photographic subject. It is a trait in the Union, created in six months, passing the baton from stage to stage. Fate has put under their eyes of the people and landscapes, stories. Meetings. Seen on the roadside, asked, sometimes across. National zero exists.
