

Couvre-chefs  
Alain Le Borgne, Bernardette Genée

Collection of over one hundred images of intimate interiors kept by legionary of the Foreign Legion in Aubagne. At the bottom of this cavity, between head and cap, personal choices lining surrounding a pleated fabric as the curtains of the private theater scenes, the picture of friends or friends, through a landscape, a travel card, design, a playing card, an object, a key, a text ... These various fragments mixed realities and symbols are the keys to secret gardens, the subversive expressions that persist despite the individual effects of social morality.
