

# Je n'ai plus peur du noir

Julien Magre

On 25 December 2014,  
I make photographs that morning, in Corrèze.  
The next day, we learn, following a routine blood test, Suzanne, our 7 year old daughter, suffers from leukemia.  
She was repatriated on December 29 in Paris at the Trousseau Hospital.  
This is the first part of the book.

From that moment, I Suzanne photography in hospital, at home ...  
We decide, she and I, to do a project together on the objects of the hospital, the toys from home, his daily life. I propose that we make a book every two, she wants to. This is the second part of the book.

I told him that the third part will be leaving the hospital, his recovery, major holidays ... the life resume.

She is not healed, she left June 25, 2015.  
I decided to photograph the holidays without it.

This is the third part of the book.  
The book "I'm not afraid of the dark" was printed in July 2016.
