

Tu me loves ? Marion Poussier

Sonia Chiambretto

– Do you love me? Gathering photographs of Marion Doussier and a text by Sonia Chiambretto:
L.h.o. Or what ?

This montage without exotic filter highlights the question of love among young people living in the HLM cities of the peri-urban areas of a medium city in France. In a high modesty, the photographs seize the eyes of girls and boys who are woven to each other, leaving a glimpse of secret links.

These faces borrowing

sweetness springs a raw and poetic language that invents in the field of image a love geography
Where to clash with desires and dominances, standards and transgressions.
