

**Françoise  
Bernard Plossu**

**The book *Françoise* is a tribute to Françoise Nuñez**, photographer and life companion of Bernard Plossu. Through 75 photographs, it traces a life devoted to image-making, travel, and human connection.

Françoise and Bernard shared a nomadic existence, journeying through Mexico, India, Turkey, Greece, and Andalusia—capturing light and fleeting moments with a unique sensitivity. Through Bernard's lens, Françoise appears as muse, accomplice, and witness to a world in constant motion. This book is more than a portrait of a woman—it also evokes an era, a way of living and photographing, where the image becomes memory, a trace of fleeting humanity. Between captured moments and inhabited silences, it celebrates a gaze and a presence, rooted in a pared-down, emotional aesthetic.

An essential work for lovers of photography and travel stories, and for those interested in Bernard Plossu's work and his singular relationship to time and the image. This book is both an intimate and universal testimony, where absence becomes presence, and every photograph resonates as an ode to light and the moment.
