

Musiciens des villes et des campagnes

Sabine Weiss

Gabriel Bauret

A picture of the work of Sabine Weiss, this book Musicians of cities and countryside offer a stroll through the world and the years to meet life as an artist lives anonymous. From Portugal to New Orleans via the Reunion Island, Greece or Morocco, France post-war Paris today, the target crosses alternately known musicians, playful amateurs and lonely street musicians. Sabine Weiss is a photographer for detail, a detail most often ephemeral, which upsets, surprises, installs a malaise or distilled happiness.
