

“In photographic residence in White, I explore the territory, the banks of the Creuse, ponds ... I meet the people who live near or far in connection with the ubiquitous water. Common object par excellence, water connects the spaces of the territory between them, but also connects people around a common heritage. The water ways are my routes and meeting places as appointments, impromptu portraits with crossed characters during my photographic steps.”

Editions spéciales

\* Thirty deluxe edition limited edition accompanied by a signed and numbered original photograph (print size 15 x 21 cm).

\* Three different photographs, each taken 10 copies.
