MARIE-ANNE, VINCENT ET MOI
Willy Ronis
Bertrand Eveno

This book consists of a set of 24 black & white photographs on the private life and family of Willy Ronis with his wife Mary Anne and his son Vincent.
Is there any difference in attitude between the amateur and professional when photographing their family or take their own portrait? I think not.
In both cases it is an activity deeply sentimental and playful, as it occurs, is at home in a moment of relaxation or a weekend or holiday.
Are thereby involved, whichever that photograph, the desire to maintain, over time, and the memory of places and the beings that we hold dear. In short, this is a picture of happiness. Willy Ronis
